

Richmond Philharmonic Orchestra FIELD TRIP!

Every year we take a Music field trip to the orchestra! This is the Orchestra that Mrs. Tracey plays in so we will take time to meet the Concert Master and the Conductor and check out some of the instruments!

We will also stroll the James Center Christmas Lights and stop at McDonald's on the way back.

**THE CONCERT IS
FREE COURTESY
OF SOUND
MOVEMENT!**

We understand that this is a late night for a Monday but it is a very musically educational trip, tons of fun, and great exposure for the students. So I hope that for a one time trip you will consider letting your student go!
